ORDER DELAYING DECISION

Pursuant to section 11517(d) of the Government Code, the Medical Quality Review Committee District 10 of the Division of Medical Quality, finding that a further delay is required by special circumstances, hereby issues this order delaying the decision for no more than 30 days from December 14, 1989 (when the 100-day period expires) to January 13, 1990.

The reason for the delay is as follows: This case was on the agenda at the Committees' meeting on November 13, 1989. At the meeting, the Division decided to re-draft the decision and now needs additional time to re-draft the decision and to effect service on the parties.

DATED: December 11, 1989
